Editorial WJN.

WHAT ARE WE ?

Once again St. Albert is in the news as the result of a group of our citizens who wish a Provincial inquiry into the management of our Council since St. Albert became a Town in June of last year. A petition is going around our town and will be, or has already been, presented to the Minister of Municipal Affairs the Hon. A. J. Hooke, asking for such an inquiry. We do not know what the results will be of this action. What we do know is that St. Albert is losing its good name and the respect of many of our citizens, of the Provincial Government, and even of all Canada. We are, as a town, well known for court cases, appeals, investigations, petitions, liquor affairs, teachers' salaries, etc. Each case always having in the background, difficulties, personal fights, misunderstanding. The remarkable thing is, we are masters at promoting these miserable personal things as far as we can over the Province. St. Albert is losing the confidence of those who are planning to make their homes in this town, and also its present citizens who are more than fed up with the general situation.

What are we? Are we a bunch of kids who are not able settle our own quarrels and therefore always have to run to outsiders, bringing them our troubles? Are we planning to ruin our town and make it necessary to become a part of the city of Edmonton?

What are we? Are we men or are we punch drunk prizefighters dreaming about our own affairs and success only? We do not believe it necessary that all our troubles have to go to lawyers, boards, associations, courts, etc, not resident in our town. We are convinced that this town has many men and women working and living and giving their hearts for the best interests of their town. With these men and women, we must solve our own problems in our own house. We do not need outsiders who, each time they receive our complaints, not only laugh about us, but also collect our money.

Did we do everything possible to clear the liquor store trouble before a deputation ran to the Minister? Did we do everything possible to solve our blue jean affair before it became a public joke all over Canada and a sensational court case in Edmonton? Have we done everything possible to clear the misunderstandings between some citizens and our Council? We are convinced that we haven't! We haven't seen public meetings organized to talk over all those troubles. Some of us tried to do this, but the powerful few who want to go up to court, government, etc, were always stronger.

We do not believe that the majority of our citizens want all those fights brought on the Edmonton and provincial "market place", to be used as general entertainment, but rather we believe and are convinced, that at least 90% of our citizens want the troubles of this town solved in this town. This is the only way that St. Albert can once again become a respectable and respected town.

Why not have a public meeting so that every resident of St. Albert can hear the pros and cons of this petition. Then we wouldn't need inquiries, courts and investigations from outsiders if we were all willing to talk with each other from this town of a great past and a great potential future.

Do we want to stay as a bunch of school kids asking their teacher "Please come

From Our Readers

Dear Editor,

A Concern for Truth

I have been informed today that a rumor is being circulated in St. Albert to the effect that I, as the minister of St. Albert United Church, am the originator of a petition asking the Provincial Government for an inquiry into certain aspects of the town's council's activities since the last election. This is not true nor was I invited to participate in the preparation of the petition. I have not seen a copy of the petition (to the time of writing this) nor have I signed this petition. Two things are present here however, to which I would like to speak; First, the rumor: The originator of this rumor must be "uncertain" of his facts or he would have confronted me with them or it might be that this person feels, in the light of recent events in St. Albert that such an action upon my part alone might be justifiable, otherwise the other ministers, Rev. Joly (Baptist) Rev. Onishenko (Pentecostal) and Father Chevrier (Roman Catholic) would also be included in this accusation. So much for the rumor but let us remember that uninvestigated and unfounded rumor dealt a death blow to the career of Mr. Potter who once served on the New Town Council. Second, the petition: The petition, which I am rumored to have originated, seeks to have a public inquiry made into certain events and procedures in the Town's life and administration. The inquiry which is being sought will show whether to concern of the originators of the petition was justified or not. It would seem unreasonable, therefore, for anyone to object to such an inquiry.

E. R. Schwarz, Minister
St. Albert United Church

over and help us", or are we self respecting men and women who seek and understand each other not only on the good days, but also during the days of trouble. If we are not able to do so, we had better ask for amalgamation with Edmonton, because that will be all we deserve.

Now is the time for all good citizens of our town to try to convince the petitioning group to bring this serious case before all of our citizens in a public meeting here in our own town of St. Albert. Where are the men and women who are willing to promote and to give their time and heart for such an action? It is not too late. Let's do it!

CHERCHEZ LA FEMME

This week we are starting a regular special page for the ladies of St. Albert and District. The page, "Cherchez la Femme", will be in the capable hands of one of our own St. Albert ladies Mrs. Merle Vascirca, who has had newspaper experience in B.C.

We hope that the ladies will enjoy it and we also will be glad to receive their comments.

LOOK and GUESS

Last week's contest was a real puzzler. No one was able to guess exactly what it was. Lots of people were close "a foot" "crossed feet", "a 'pear' of feet" etc, and one was way out "a curling broom sweeping a curling rock". But no one noticed the type of shoe. It was a soccer shoe, worn by a player in action. Don't be discouraged because you didn't get the prize. Try again this week because you might win \$3.00 if you get the right answer.

CUB and DAD

Once a year, the Cubs of the Second St.
Albert Pack invite their Dads to sit in
with them for an evening of food, fun
and frolic.

This year, on February 21st, at 6:30 p.m.
a much larger group than last year will
sit down to the Father and Son Banquet.
The event is being held in the Community
Hall in St. Albert.

Last year there were just enough Cubs for
one pack. This year the numbers have
tripled and the three packs will be pre-
sent with their Dads.

Don't miss it this year. The little fel-
low who has to come in the door with no
one when all the rest have Pop in tow
sure looks lonely. And to those who have
not got a boy in the cubs, why not offer
to go along with some young fellow who
finds his Dad away on that night?

The Party Line

Hello Ladies! Welcome to the party line. By way of an introduction to the first edition of the ladies page, its aim is to entertain and to bring the news of the ladies to the ladies. News items for this page can be reported to the ladies editor or marked 'Ladies Page' and dropped in the Gazette box.

With all the new fashion trends and styles being currently presented in Paris would it be premature to look ahead to Spring? Just imagine sending the children out to school without the daily half hour search for boots, scarves and that eternally lost left mitt! Picture too, putting the snow away for a few months. Realistically however, there are still snow banks in the tulip beds. While there may be an air of April in Paris, our well chilled breezes tell us its undisputedly February in St. Albert. With this in mind keep the snow shovel within easy reach and don't rush out to shop for your Easter bonnet just yet. There'll be time enough for that when our spring cleaning is done. Now that the subject of cleaning has been brought up - "Why wait for Spring - Do it now!"

M'lady would like a new wardrobe
New purse, new shoes and new hat.
M'lord says the car needs a tune-up
So that, M'lady, is that!

(You'll be listening in next week?)

Welcome contributions to this drive would include clothing of all sizes,

clean and mended, kitchen utensils and books. Donations can be left at 31 Greenview Crescent, or call 599-7087 for pick-up.

The next meeting of the Guild will be held February 26 at the home of Mrs. H. W. Ratchinsky, 6 Garland Crescent.

LADIES BONSPIEL

Many St. Albert and district husbands noticed something missing from their happy homes these past few days - namely their wives. The ladies vacated the kitchen temporarily to participate in the Annual St. Albert Ladies Curling Club Bonspiel. While husbands may have had to fend for themselves come mealtime, the ladies enjoyed a lovely smorgasbord buffet in the Legion Hall. The delicious array of food was provided by members of the St. Albert Club.

The bonspiel was filled to capacity with a total of 32 rinks entered. Out of town rinks participating included Riviere Qui Barre, Morinville, Fort Saskatchewan

Pictured above enjoying a delicious meal between draws of the Annual St. Albert Ladies Curling Club Bonspiel are left to right: Fran Beach, Bea McLeod, Kay Belsey, Doris Harvey, Irma Sherman, and Irene Vollmer.

Ladies Bonspiel continued

Ardrossan, Calihoo, Jasper Place and Edmonton.

The whole rink echoed the cheers of the enthusiastic teams. All rinks were eager to win, but win or lose, enjoyed every minute.

As the bonspiel was still in progress when the paper went to press, final results will appear next week.
